A 4x4 grid of 16 identical square units. Each unit contains a green crosshair pattern consisting of two perpendicular lines intersecting at the center, forming a cross shape. The lines are thin and green, set against a light gray background. The grid is composed of 4 rows and 4 columns of these units.

Use this chart to help you keep track of all your responsibilities!

## A vibrant, cartoon-style illustration of a green Christmas truck. Santa Claus, with a white beard and red suit, is in the driver's seat, waving with a white-gloved hand. A reindeer with large antlers and a red nose is in the passenger seat. The truck is decorated with colorful Christmas lights along its edges. In the background, a red wooden building and more presents are visible, creating a festive holiday scene.

**SANT A**

## A square maze with a complex network of black walls forming various sized loops and dead ends. A thick red line traces a specific path through the maze, starting from the top-left corner and ending at the bottom-right corner. The path starts by moving right, then down, then right again, eventually finding its way through several turns to reach the exit at the bottom-right.
